“MIGRANTS GOT TALENT” SET FOR GRAND FINALE

The Grand Finale of the Migrants Got Talent event is set to be a showcase of entertainment, Local Member for West Swan Rita Saffioti said today.

Eleven organisations have formed a partnership for the exciting display of talent from culturally and linguistically diverse (CaLD) youth right across Perth.

Ms Saffioti said newly arrived migrants face a lot of challenges involving identity and the Migrants Got Talent event was a great way for many people to be proud of who they are and their particular talent.

“Migrants Got talent gives an opportunity to the youth to participate in a big event,” she said.

“After two months of auditions and rehearsals the Grand Finale will be filled with amazing talents and entertainment.”

The event is being held on Saturday April 16 at the Perth Convention Centre from 6pm til 10pm.

Tickets are \$10 and can be purchased through Ticketek or contact 9344 6788 for more information.
