## **LOCAL MLA BIKE DONATION PUT TO GOOD USE AT CAVERSHAM PRIMARY SCHOOL**

Caversham Primary School P&C was able to raise \$1,800 for much needed classroom equipment thanks to the bicycle donated by Local Member for West Swan Rita Saffioti.

The P&C accepted Ms Saffioti's offer to donate a bicycle for fundraising purposes and conducted a lap-a-thon competition.

Ms Saffioti said students received a raffle ticket for every \$10 they raised and went into the draw to win the bicycle.

Ms Saffioti said she was happy the school was able to raise so much money for school supplies and equipment, and was also happy to know that the students had a fun day at the lap-a-thon.

The West Swan MLA was a guest at the school assembly yesterday to present the bike to the winner, 6 year old Lucas.

"Caversham P&C organised a fantastic fundraising event," Ms Saffioti said.

"I am more than happy to be able to help the school raise funds and in the process present a bicycle to one happy student."

Ms Saffioti's donation also included a bicycle helmet.

This year, five schools in the West Swan electorate have taken up Ms Saffioti's bicycle offer.
